## Dear Sir/Madam

We feel honor in inviting you to One-day National Seminar to be held on 27th February 2016 on "Vision Education: 2025". Your scholar presence in the Seminar will grace the Occasion

### About The TAPOVAN SANSKAR KENDRA,

It is a public trust which has always aspired to provide quality education according to the need of the changing time. TAPOVAN SANSKAR KENDRA, is a rural based educationally proactive trust which is a marvel of independent India. Through the vision of the Trust, we reaffirm our faith in the universal human values and pledge our commitment to development of all these values by preparing teachers, teacher educators and adorable citizens who can offer globally relevant all – round education.

As a believer of Woman Empowerment Women's B.Ed. College with sparkling name of SATYAM COLLEGE OF EDUCATION, BHARUCH Affil. with Veer Narmad South Gujarat University, Surat Recognized by NCTE & Govt. of Gujarat The institution has successfully completed 12 years. Very gladly share that most of the trainees of the institution are giving their Best Performance at National & International Level. At last we follow:

**"Training, Retraining and Continuous Training"**

### About CTE

The Council for Teacher Education, Gujarat Chapter (CTEG) established under the first presidentialship of Dr. B. P. Lulla under the umbrella of Council for Teacher Education, India. Since 2008 CTEG is functioning under dynamic leadership of Prof. R. G. Kothari and trying its level best to fulfil the objectives of CTE, India as well. Various programmes for professional development of teachers like Seminars, Workshops, Training programmes, Publication of Books are part of CTEG. Along with this recently, new feather has been added to CTEG by launching Bi-annual e-Journal "EduInspire - An International e-Journal" with ISSN-2349-7076. For more information please visit [www.ctegujarat.org](http://www.ctegujarat.org)

### About the Seminar

Education faces lot of challenges from various dimensions like finance, curricular, administrative, evaluation, human resources that requires reforms at academic, administrative and examination dimensions. The time has come for the universities of India to think of an action-plan for reforming academic practices both at PG and at UG levels to move towards accomplishing world – class standard in the field of education. In the present era there is a great demand of integration of Information and Communication Technology as well as thorough researches cutting across various dimensions including examinations and assessment. This seminar attempts to dig up the crux of ideas and thoughts implemented in the real field of education

### Objectives:

- To discuss critically issues related to education.
- To chock down futuristic perspective in education.
- To critically examine various reforms in education.
- To suggest measures for improving quality of education.
- To discuss case studies of innovative practices in education.
- To suggest ways and means to integrate technology in education.
